

The Maine School of Ministry
 Christian Studies and Leadership (CSL) Curriculum and Certificate Program
 Maine Conference, United Church of Christ
 v. 3.3 15Oct2017

CSL Program Certificates and Curriculum Tables

The Maine School of Ministry. The Maine School of Ministry is a leadership development program of the Maine Conference UCC established in 2013 as the successor to the Conference’s Academy for Congregational Life and Leadership. The School was formed to respond to the growing need across our Conference, the region’s Conferences, and our denominational Partners for a regionally based, low cost, and sound program of theological education dedicated to preparing leaders for, and to supporting leaders, in our churches. The School aims to provide those who feel so moved from our own and from our Partner’s congregations the opportunity to explore and to pursue a call to authorized ministry or to spiritual formation per se. Students thus include members in discernment with an Association of the Maine or other UCC Conference or with a Partner; seekers after learning per se; and clergy and lay leaders presently serving the church who wish to return to studies (sometimes termed recurrent education). All will experience guided inquiry across the School’s four teaching areas—Biblical studies, Church history, Theology/Ethics, and Practical theology—conducted around a seminar table, real or electronic, led by a master Instructor.

The Christian Studies and Leadership (CSL) Curriculum and Certificate Program. In 2015, in dialogue with the Church and Ministry Committees of the Associations of the Maine Conference UCC (<http://maineucc.org/associations-2/>), the Conference launched the four-year twenty-course Christian Studies and Leadership (CSL) Curriculum and Certificate program (<http://maineucc.org/csl-curriculum/>) in these four parts:

- **CSL 1: Christian Studies program** (10 courses, Certificate in Christian Studies, may be completed in 2 years @ 2 courses per semester + 2 June Intensives): an exploratory course of studies whose course credits may be transferred directly to CSL 2.
- **CSL 2: Pastoral Leadership program** (15 courses, Certificate in Pastoral Leadership, may be completed in 3 years @ 2 courses per semester + 3 June Intensives): an educational foundation for UCC Licensed Ministry; the CSL 2 certificate is prerequisite to CSL 3 and CSL 4 studies.
- **CSL 3: Special Ministries program** (Certificate in Special Ministries, 2 years): an educational foundation for UCC Commissioned Ministry (or for a denominational Partner’s like ministry) in such special areas as education, music, health promotion/disease prevention, outdoor ministries; CSL 2 certificate is prerequisite.
- **CSL 4: Word and Sacrament program** (Certificate in Word and Sacrament, 3 years): an educational foundation for UCC Ordained Ministry (or for a denominational Partner’s like ministry); CSL 2 certificate is prerequisite.
