

**Sunrise Association
Maine Conference
United Church of Christ
Policies and Procedures for
Members in Discernment**

Introduction

Discerning where and how the Holy Spirit is leading us is always a challenge, and an adventure in faith. The United Church of Christ has developed a process which involves a covenantal relationship between the individual Member in Discernment, their local church, their Association, and the Association's Committee on Ministry. These Discernment Guidelines describe the entire process associated with being a Member in Discernment (MID) as practiced by the Committee on Ministry of the Sunrise Association of the Maine Conference United Church of Christ.

The Office of Parish Life and Leadership and those working to implement the Pronouncement passed at General Synod 25 - "Ministry Issues: Forming and Preparing Pastoral Leaders for God's Church" - have recommended a change from Student In Care status to Member in Discernment status that will appear in the next revision of Manual on Ministry. This terminology change represents a shift in the emphasis on and the understanding of ministerial formation and discernment, both for candidates and those who will assess their fitness for authorized ministry. This shift is reflected in these Discernment Guidelines. However, during this time of transition, the terms should be considered interchangeable.

These Discernment Guidelines describe the journey to be taken by the Member in Discernment (MID), and describe the candidate for authorized ministry's relationship with each of the following Covenantal Partners:

- I. The Local Church
 - a. Local Pastor
 - b. Discernment Group
 - c. Sponsoring Body (e.g., Church Council or Board of Deacons)
- II. The Association Committee on Ministry
 - a. Overview
 - b. Initial Member in Discernment Decision
 - c. Continuing Relationship with the Committee on Ministry
- III. Additional Supports
 - a. The Discernment Advisor
 - b. The MID Liaison

The Member in Discernment process is the responsibility of the Committee on Ministry, composed of both lay and clergy members from the Sunrise Association. Among its several responsibilities is recommending the licensing, commissioning, and ordaining of ministers. The Committee on Ministry works with each Member in Discernment (MID)

(also referred to in this document as a “candidate for authorized ministry” or, simply, “the candidate”). Each of the other Covenantal Partners listed above makes contributions toward the candidate’s readiness for ministry and helps in discerning the candidate’s readiness and fitness for ministry.

No single set of guidelines can hope to cover all possible situations. If the Committee on Ministry feels that alternatives are warranted, it will seek to make exceptions that are respectful of all parties involved in the process, and in the best interest of the United Church of Christ and the candidate. This document refers frequently to the United Church of Christ Manual on Ministry, which is available on line at <http://www.ucc.org/ministers/manual/>. References are cited as section number followed by page numbers [e.g. Section 4, pp.3-4].

Request for Member in Discernment Relationship An Overview

Following the leading of the Holy Spirit, an individual enters into Discernment to seek support and guidance in the process of discerning a call to an authorized ministry in the United Church of Christ.

When to Apply

A person seeking an authorized ministry in the United Church of Christ is strongly encouraged to apply for Member in Discernment (MID) status upon enrollment in an accredited theological seminary, if not before. To be considered for MID status a candidate must minimally have already acquired a high school diploma or GED and be participating in a bachelors degree program or its equivalent as determined by the Committee on Ministry.

Length of Relationship

The candidate should expect to be in the Member in Discernment process for at least two full years. Member in Discernment status is not automatically transferable from one Association to another either within the Maine Conference or to Associations in other conferences of the United Church of Christ. Members in Discernment (or those who have been received “In Care” by another Association) who are moving from another Association in the United Church of Christ to the Sunrise Association and who wish to continue their Member in Discernment (or In Care) status must make a request as outlined in these guidelines. Consideration will be given to years already in Discernment (or In Care) and where the candidate currently is in her or his process. MID status, once granted, is renewed on a yearly basis. Those Members in Discernment who have completed their education and have been granted authorization pending call by an Ecclesiastical Council of the Association will continue as Members in Discernment until they receive a ministerial call. Though the formal advisory relationship will cease, candidates approved for authorization pending call shall meet with the Committee on

Ministry at least annually in an agreed upon review process, while maintaining their participation in the local church.

The Discernment Journey

The Discernment relationship is covenantal, with the purpose of helping the candidate discern a call to authorized Christian ministry through licensure, commissioning, or ordination. This journey begins with an individual's seeking to clarify his or her call to ministry and moves to request for Member in Discernment status. If Member in Discernment status is granted, the journey continues until the candidate is licensed, commissioned or ordained, or the Discernment relationship is ended either by the candidate or the Committee on Ministry.

Resources and Ethical Essentials

All Members in Discernment shall have a copy of the Discernment Guidelines and a complete current copy of the United Church of Christ publication, Manual on Ministry, which is available on line at <http://www.ucc.org/ministers/manual/> Members in Discernment shall be familiar with both of these publications and any updates to them.

Each person granted Discernment status shall be familiar with and accountable to the Codes of Conduct for their proposed authorized ministry in the Manual on Ministry (Section I). The Codes share the same Ethics of Ministry, (Appendix K). Any breach of these ethics will be investigated by the Committee on Ministry. A serious or chronic breach of ethics will be grounds for ending Member in Discernment status.

Partners in the Discernment Journey

I. The Local Church

A. Local Pastor

The formal discernment process begins when a person (hereafter referred to as "the candidate") seeks out the pastor of the local church in which she or he holds membership to discuss his or her sense of call. The pastor will listen to and counsel the candidate regarding his or her call, and will continue to be available throughout the successive stages of the process. The pastor will give the candidate a copy of these Discernment Guidelines, which may also be obtained from the MID Liaison or the Sunrise Association Church and Ministry Chairperson.

B. Local Discernment Group

If the person and pastor decide to move further in the formal discernment process, a Local Church Discernment Group will be formed, consisting of the pastor and representatives from the local congregation, who will meet with the candidate to discern and clarify the call the candidate has received. The Discernment Group should explore with the candidate the issues outlined in Section 2, page 4, of

Manual on Ministry. The composition of this group is left to the local church to determine. It may be an existing committee (e.g., Council or Board of Deacons) or one created specifically for the purpose. The candidate and the Discernment Group may be helpfully guided in their work of initial discernment through the use of the resource, "Ask the Question: A Resource for Discernment of Call," available through the UCC website at www.askthequestion.org.

C. Local Sponsoring Body

When both the Local Church Discernment Group and the candidate agree that the candidate is prepared to enter into the Member in Discernment process with the Committee on Ministry, notice shall be given to an authorized group of the congregation's choice (e.g., Church Council or Board of Deacons) by the Discernment Group of their intention to request formal sponsorship by the local church for the candidate as a Member in Discernment.

Before the local church's formal vote of sponsorship, a lay leader or the pastor shall notify the Chair of the Church and Ministry that the church needs a consultation with the MID Liaison. This person will meet with the appropriate church bodies, the pastor, and the candidate to outline the Discernment journey, including the requirements and expectations of all those in the Discernment process as indicated in the Discernment Covenant, Appendix G.

After meeting with the MID Liaison, the local church Sponsoring Body will receive the request of the Discernment Group that the candidate be sponsored by the Church. Information accompanying the request will include statements about the candidate's Christian pilgrimage and biography, how the call to ministry is understood by the candidate, educational plans for the future as well as documentation of formal education (i.e., a high school diploma/GED and/or other post-high school degrees and transcripts). The Sponsoring Body should engage in further discernment with the candidate, exploring the issues outlined in Section 2, page 4, of the United Church of Christ Manual on Ministry. The Sponsoring Body may also be helpfully guided in its discernment with the candidate by using the resource, "Ask the Question: A Resource for Discernment of Call," available at www.askthequestion.org.

The Sponsoring Body, on behalf of the local church, then decides whether to recommend the candidate to the Committee on Ministry to be received as a Member in Discernment. If the Sponsoring Body approves the request for sponsorship, the Request for Member in Discernment Status, Appendix B, should be completed and added to the candidate's Request materials. Only with the formal sponsorship of the local church may the candidate be presented to the Committee on Ministry for consideration of MID status. The candidate shall continue her or his membership and relationship with the sponsoring congregation. See Appendix Q for suggestions on continuing support of the MID by the Local Church.

At the completion of the Discernment journey with the Committee on Ministry, the local church shall request in writing that the Committee on Ministry examine the candidate for authorized ministry. Upon recommendation of the Committee on Ministry, the Sunrise Association will be asked to convene an Ecclesiastical Council for Licensure, Commissioning, or Ordination.

II. The Association Committee on Ministry

A. An Overview

The Committee on Ministry is the body authorized to make decisions concerning Discernment status. The Association Committee on Ministry enters into a discernment process by responding faithfully and attentively to all parties, grounding the response in a spirit of hospitable openness and welcoming the other covenantal partners (the Local Church and the individual discerning the call) as they mutually embark on a new venture.

Each time the members of a Committee on Ministry begin discernment with an individual and that individual's Local church, the lay and clergy members of the Committee on Ministry are also reminded that they themselves discerned a call to this particular responsibility. The work begins with a sense of gratitude for that privilege and a promise to create a hospitable environment intentionally open to the movement of the Spirit.

It is within this context that candidates seeking Member in Discernment status and authorized ministry shall meet with the Committee on Ministry at specific times during the process. Following these interviews, the Committee on Ministry will vote to either receive the candidate as a Member in Discernment or deny the request for MID status. If MID status is denied, the Committee on Ministry will discuss with the candidate its reasons for the denial. The candidate may then choose to work on the problem areas the Committee on Ministry has outlined and may later reapply to the Committee for reconsideration.

B. Initial Member in Discernment Decision

1. Initial Interview.

Upon the approval by the local church Sponsoring Body, the candidate is introduced in person to the Committee on Ministry by the local pastor and a lay member (the chair of the Deacons or other key layperson) of the local church.

The Committee on Ministry will examine the candidate at this initial interview based upon the material submitted (see Appendix F for required documents), as well as an oral presentation and dialogue. This is a two-way interview; the candidate should ask questions regarding the Discernment relationship and process, as well as any special concerns related to the candidate's particular situation. These questions or others may and should be raised by the candidate at any point in the Discernment process if these matters require clarification.

2. Psychological and Career Assessment.

Following the initial interview, and if the Committee on Ministry agrees to continue the process towards granting MID status with the possibility of authorized ministry, the candidate will have a psychological and career assessment by an examiner approved by the Committee on Ministry. The candidate will sign and send the Authorization and Release form, Appendix E, to the assessment center for its use. The cost of the assessment will be shared in equal portions by the candidate, the local church, and the Sunrise Association.

3. The Post-Assessment Interview

The results of the assessment are confidential and are sent to the Chair of the Committee on Ministry. The chair will review the assessment and share the one page summary with the Committee. When the Committee has reviewed the summary, the candidate will be invited to a follow-up interview to discuss the report's implications for the candidate, his or her discernment process, and further formation and training for authorized ministry.

The candidate is encouraged to share their copy of the assessment with her or his Discernment Advisor. The full assessment report will be sent to the Maine Conference Office for storage in a locked file.

4. Initial Decision in Member in Discernment Status

After the post-assessment interview and further review of all the candidate's materials, the Committee on Ministry may, according to the criteria in Section 2, pages 5-8 of Manual on Ministry, decide that the candidate should be granted Member in Discernment status. If the Committee so decides, the Committee on Ministry will receive him or her as a Member in Discernment of the Sunrise Association, assign a Discernment Advisor, and enter into Discernment Covenant, Appendix G. The Committee on Ministry will also present the candidate as a Member in Discernment during worship at a meeting of the Association. A liturgy for this is available in the Book of Worship.

If the Committee on Ministry decides not to grant Member in Discernment status, the person seeking MID status will be informed and invited to discuss the Church and Ministry Committee's concerns. The candidate may choose to address the concerns the Committee on Ministry has outlined and may later reapply for MID status.

C. Continuing Relationship with the Committee on Ministry

1. Annual Reviews.

Annual Reviews are held with the Committee on Ministry to evaluate the past year and look ahead to the next year of the Discernment journey. The Annual Review also seeks to maintain the covenantal relationship with the candidate

and explores ways to improve the supportive relationship between the Committee on Ministry and the Member in Discernment.

Dates for each Annual Review will be determined by the Committee on Ministry in consultation with the candidate. The pastor and/or a member of the candidate's local church and the Discernment Advisor are expected to participate in each Annual Review. The Annual Review is expected to be in person. All materials for the Annual Review must be sent to the Chair of the Committee on Ministry four (4) weeks ahead of the meeting. See Appendix H for materials required for the Annual Reviews.

Annual Reviews with the candidate and Committee on Ministry consist of four parts:

- a. The Annual Review Preparation Sheet, Appendix I, along with written reflections on the Annual Review questions (see Appendix H), covering each subject adequately but concisely.
- b. If the candidate is in seminary, review of seminary transcripts, evaluations, (see Appendix J) and such other reviews as the Mid-Program Review and the Mentored Practice 'Final Exam'; if the candidate is in an alternate path to authorized ministry, review of appropriate information from that path;
- c. Any CPE evaluations; and
- d. A face-to-face interview

2. Following each Annual Review:

- a. One copy of all materials is placed in the candidate's permanent file.
- b. A vote is taken by the Committee on Ministry to either renew or end the candidate's MID status.
- c. If the Committee on Ministry votes to end MID status, the candidate will be informed and invited to discuss this decision by the Committee.
- d. Following a vote to renew MID status, the candidate will be notified in writing.

3. Final Year Review.

The Final Year Review between the candidate and the Committee on Ministry will be held at least two months prior to the ministry Authorization Interview with the Committee on Ministry, and not earlier than six months prior to the candidate's completion of preparation for authorized ministry, including alternate paths and seminary education. All materials for this Final Year Review

are to be forwarded to the Chair of the Sunrise Committee on Ministry one month before the date of the Final Year Review.

Materials Required for the Final Year Review:

- a. If the MID is in seminary, the most recent seminary transcripts and a copy of Masters of Divinity diploma, if granted. If preparation for authorized ministry, licensure, commissioning, or ordination has been completed through alternate preparation, the complete records of such preparation.
- b. A final draft of the candidate's licensure, commissioning or ordination paper, prepared in consultation with the Discernment Advisor. In addition, a candidate may consult with his or her home pastor and/or seminary advisor. The paper will follow one of the three suggested outlines listed in Appendix N. It should be double-spaced, using a 12 point font, and should not exceed 20 pages. The Committee on Ministry may review the paper with the candidate, making suggested revisions for when it is to be formally presented to the Church & Ministry Committee for the Licensure, Commissioning, or Ordination Interview.
- c. A written reflection on the features of the current polity, program, or theological posture of the United Church of Christ the candidate will work hardest to support or change during ministry, the theological basis for such support or change, and why the candidate believes it is important.
- d. The Annual Review Preparation Sheet, Appendix I, filled out by the candidate and his or her Discernment Advisor.
- e. A Request (see Appendix L) from the candidate's local congregation requesting that the Association examine the candidate for licensure, commissioning, or ordination, submitted no earlier than six months prior to the candidate's completion of preparation for authorized ministry (see Section 3, page 18, Manual on Ministry).

4. Decision on Proceeding to Authorization of Ministry

Following the Final Year Review, the Committee on Ministry will decide whether to proceed to the Licensure, Commissioning, or Ordination Interview. If the Authorization Interview is considering ordination in the United Church of Christ, the Committee will use the Marks of Readiness for Ministry (Appendix S) as a guide in their deliberations.

- a. If the decision is affirmative, a written report will be prepared by the chairperson of the Committee on Ministry or a designated committee member outlining the basis for the recommendation and sharing some of the committee's experience with the candidate. The chairperson or designated

committee member shall be responsible to see that the candidate's complete file, including all required documents, assessments, reviews, and required evaluations, is included with the written report.

b. If the Committee on Ministry decides to deny or postpone the recommendation, the candidate will be informed in writing and invited to continue conversation with the Committee on Ministry concerning what, if any, work still needs to be accomplished before a favorable recommendation can be made.

5. Authorization Interview.

The Authorization Interview is the final meeting with the candidate after which a decision will be made about authorization for an Ecclesiastical Council. This interview is conducted following the Final Year Review at a meeting of the Committee on Ministry. The primary purpose of the Authorization Interview is to determine the candidate's readiness and fitness for authorized ministry in the United Church of Christ. The Discernment Advisor will accompany the candidate to the Authorization Interview and will be free to participate. See Appendix M for materials required by this interview. If the Authorization Interview is regarding ordination in the United Church of Christ, the Committee will use the Marks of Readiness for Ministry (Appendix S) as a guide in their deliberations.

Upon completion of the Authorization Interview, the Committee on Ministry votes on whether to recommend ministerial authorization to the Association. The Committee has four options: Yes; Yes, but; No, but; No

- a. "Yes." The committee accepts and authorizes the candidate unconditionally and believes she or he will be an effective and faithful leader in and on behalf of the United Church of Christ and an asset to its ministry.
- b. "Yes, but . . ." The committee accepts and is prepared to authorize the candidate for ministry in and on behalf of the United Church of Christ with the provision that certain conditions be met or additional information be provided within a specified time.
- c. "No, but . . ." The committee does not believe the candidate, at present, meets the standards for ministry in and on behalf of the United Church of Christ. If certain conditions are met (e.g., additional study, experience, maturing, etc.), the application may be reconsidered by the Committee at some future time.
- d. "No." The committee does not believe that the candidate is fit for ministry in and on behalf of the United Church of Christ.

6. Ecclesiastical Council.

- a. The Committee on Ministry chairperson will

- 1.) Notify the Association Moderator of the Committee's recommendation concerning the Ecclesiastical Council.
 - 2.) Coordinate with the Association Moderator and the candidate to set the date and time for an Ecclesiastical Council. The Ecclesiastical Council will be held at a church chosen by the Committee on Ministry.
 - 3.) Plan with the candidate how the candidate's authorization paper will be shared with delegates to the Ecclesiastical Council.
- b. The Scribe of the Sunrise Association will send out the announcement to each church in the Association. The authorization paper may be made available electronically to the churches in the Association.
 - c. If the vote of the Ecclesiastical Council is positive, "authorization pending call" status may be granted. The Member in Discernment is authorized to circulate his or her Ministerial Profile.
7. Authorization Service.
- When the candidate receives a call, the Authorization date will be set by the Association Moderator, in consultation with the Committee on Ministry chairperson, the candidate, and the sponsoring church. Coordination of the event is handled by the candidate and the Committee on Ministry chairperson. The Association Scribe sends out the announcement to the churches in the Association. The Authorization liturgy is based on the United Church of Christ Book of Worship. The Committee on Ministry chair orders the Authorization Certificate from the National setting of the United Church of Christ.

III. Additional Supports for the MID

A. Discernment Advisor

When a candidate is accepted as a Member-in-Discernment (MID), the Committee on Ministry assigns a Discernment Advisor who will be additional covenantal partner with the MID, alongside the MID's home church, home church pastor, the Association Committee on Ministry, and other relevant advisors or supervisors involved in the MID's ministerial formation. Together, this group participates in a communal discernment process with the MID as she or he prayerfully and practically pursues their understanding of God's call.

The Discernment Advisor is typically an ordained, licensed, or commissioned minister but, on occasion, may be a qualified layperson. The primary responsibility of the Discernment Advisor is to engage the MID in theological and spiritual reflection on the MID's evolving sense of call and experience of ministerial formation. See Appendix P for the Discernment Advisor's responsibilities and discussion suggestions.

When a Discernment Advisor's relationship with a MID has ended for any reason, all confidential records (transcripts, evaluations, etc.) relevant to the MID will be returned to the Committee on Ministry and placed in the MID's files or destroyed.

B. MID Liaison

The MID Liaison is an ex-officio member of the Committee on Ministry. The primary responsibility of the MID Liaison is to support the MID in fulfilling the logistical requirements of the MID process as delineated in the Manual on Ministry, Section 2, and these Discernment Guidelines. See Appendix R for the MID Liaison's responsibilities. See Appendix O for the Member in Discernment Checklist that is maintained by the MID Liaison.

When a MID Liaison's relationship with a MID has ended for any reason, all confidential records (transcripts, evaluations, etc.) relevant to the MID will be returned to the Committee on Ministry and placed in the MID's files or destroyed.

Appendix A — Glossary of Terms

Association: A covenantal regional group of churches within a Conference which recognize one another as mutually accountable members of one common family of God. The Association supports the Member in Discernment through encouragement, engagement, financial assistance where possible, and, in particular, by paying 1/3 of the fee for the psychological and career assessment. Associations receive the recommendation of their Committee on Ministries concerning candidates who have completed the Discernment process, and call Ecclesiastical Councils for the purpose of examining candidates and determining whether or not to authorize candidates for licensed, commissioned, or ordained ministries, and structure appropriate events for authorization. Ministerial authorization is conferred by and ministerial standing is held in the Association.

Candidate: A term used in this document to refer to persons considering or in discernment about authorized ministry, whether or not these individuals have been formally received as Members in Discernment (MID) by the Committee on Ministry.

Committee on Ministry: This committee is made up of both lay and clergy members that recommend the licensing, commissioning, and ordaining of ministers to the Association. The committee also determines, confers, and recommends certification of standing of the local churches to the Association.

Covenantal Partners: All participants in the discernment process as defined by those who contribute to the candidate's readiness for licensed, commissioned, or ordained ministry, and help in discerning the candidate's fitness for ministry (e.g., the Local Church Discernment Committee, Local Church Sponsoring Body, the candidate's pastor, the Association, the Association Committee on Ministry, field education supervisor, CPE supervisor, academic advisor, alternate path advisor, Discernment Advisor, or MID Liaison).

Covenantal Relationship: A relationship based on promises of mutual, shared responsibility and caring. Covenantal relationships are the fundamental organizing premise of the entire United Church of Christ.

Discernment Advisor: Upon approval of the candidate for Member in Discernment (MID) status, the Committee on Ministry assigns a Discernment Advisor who engages the MID in theological and spiritual reflection on the MID's evolving sense of call and experience of ministerial formation. The Discernment Advisor usually is an ordained, licensed, or commissioned minister in good standing with the Sunrise Association. On occasion the Committee on Ministry may assign a candidate to an ordained, licensed, or commissioned United Church of Christ minister not of the candidate's home Association, or a qualified lay person.

Local Church: The candidate for ministry's home church. The local church is a party to the Member in Discernment relationship, and is responsible for continued guidance and support of the candidate as he or she progresses toward authorized ministry.

Local Church Discernment Committee: A committee, consisting of the pastor and representatives from the local congregation, which meets with the candidate to discern and clarify the call that the candidate has received. This group may or may not be a pre-established group such as the Church Council or Board of Deacons. When both the Discernment Committee and the candidate agree that the candidate is prepared to enter into the Member in Discernment process, it presents the candidate to Sponsoring Body and requests local church sponsorship (unless the Representative Committee and Sponsoring Body are one and the same; see note on Section I, part D).

Local Church Sponsoring Body: A group within the local church (e.g., Church Council or Board of Deacons) that has been authorized to receive and act upon the request of the candidate for sponsorship as a Member in Discernment. After meeting with the candidate, and hearing from a representative of the Committee on Ministry concerning the Discernment process, the Sponsoring Body may approve the request for sponsorship and submit the Request for Member in Discernment Status to the Committee on Ministry. It is only with the sponsorship of the local church that the candidate may be presented to the Committee on Ministry for consideration of Member in Discernment status.

Manual on Ministry: The United Church of Christ Manual on Ministry provides perspectives and procedures for ecclesiastical authorization of ministry. All candidates for licensure, commissioning, or ordination in the United Church of Christ should obtain a copy of Manual on Ministry or view it at <http://www.ucc.org/ministers/manual/> and have a thorough understanding of Sections 2 and 3 (Student In Care of Association and Ordained Ministry or Sections 6 or 7, Commissioned and Licensed Ministry).

Member in Discernment: Also referred to in this document as a “candidate” or, more simply, as a “MID.” This term describes a relationship and a process. The relationship is expressed as a covenant between the Member in Discernment, the candidate's home church, the Sunrise Association, and the Association Committee on Ministry. The MID process is that which the candidate follows on his or her way to authorized ministry, and is largely described in these Guidelines. In order to be considered for authorized ministry the candidate should expect to be in the Member in Discernment process for at least two full years. While authorization for licensed, commissioned or ordained ministry is normally the end result of the Member in Discernment process, this is not automatic, nor is it always the case. (Note: Until recently, this designation and process was referred to in the United Church of Christ Manual on Ministry as “Student In Care of Association.”)

MID: Member in Discernment. See above.

MID Liaison: Supports the MID in fulfilling the logistical requirements of the MID process as delineated in the Manual on Ministry, Section 2, and these Discernment Guidelines.

Psychological and Career Assessment: A psychological and career assessment is required of every person seeking Member in Discernment status. The assessment helps the candidate and the Committee on Ministry determine those areas of ability and aptitude that will give shape and direction to the candidate's ministry, as well as those characteristics of personality and interest where growth would be desirable. The assessment is an essential tool that helps the Committee on Ministry offer the candidate guidance and assistance. The Committee on Ministry uses the assessment along with other considerations to help evaluate the candidate's suitability and readiness for authorized ministry. Though valuable, the psychological and career assessment is never the sole criterion for deciding a person's fitness for ministry. The assessment is handled in the strictest confidence. After a candidate has been formally received as a Member in Discernment, one copy of the assessment remains in a secure file in the Conference Office.

Appendix G
Discernment Covenant
(Sample Only)

Covenant made between a Member in Discernment, the Member in Discernment's Local Church, and the Sunrise Committee on Ministry.

Preamble

A covenant is "an intentional agreement made between or among parties in the name of God. (It) has both horizontal and vertical dimensions and is not accidental, but deliberate."* Recognizing that carrying out the Covenant of Ministry in the United Church of Christ is both delicate and demanding, calling us to live by relationship with God and each other and not by rules - by grace more than law - the Sunrise Association Committee on Ministry needs guidelines for candidates for authorized ministry. These minimal guidelines follow. [*Definition by the Rev. Dr. Elizabeth Nordbeck, Andover Newton Theological School]

The Covenant

The Committee on Ministry of the Sunrise Association has accepted _____ into the Discernment relationship. If the process leads to the candidate's request for authorized ministry, licensure, commissioning, or ordination, a minimum of two years of reflection and discernment with the Committee on Ministry and its authorized advisors will be required prior to authorization for ministry in the United Church of Christ. .

Part 1 — The Association

The Sunrise Association of the Maine Conference of the United Church of Christ covenants:

5. to assume 1/3 the cost of the candidate's psychological and career assessment;
6. and to prayerfully consider the recommendations that the Committee on Ministry may make concerning the Member in Discernment.

Part 2 — Committee on Ministry

The Committee on Ministry covenants:

1. to provide a Discernment Advisor to guide the candidate toward a vocational understanding consistent with the faith and mission of the United Church of Christ;
2. to encourage the Sunrise Association to offer financial assistance, within the limits of available Association funds, in support of seminary or other authorized preparation for ministry;
3. to provide advice and counsel regarding the skills and gifts required for the practice of authorized ministry;
4. to provide the opportunity for the candidate's psychological and career assessment, ensuring that the costs for the same will be shared by the candidate's home church, Sunrise Association, and the Member in Discernment;
5. and to review and consider annual renewal of the Discernment relationship.

Part 3 — Member in Discernment

_____ as a candidate preparing for authorized ministry in the United Church of Christ, agrees to follow the guidelines for the Discernment process, to accept the fellowship, counsel, evaluations, support, and guidance of the Committee on Ministry, and covenants:

1. to meet at least quarterly with the appointed Discernment Advisor to share progress in academic or other authorized preparation for ministry, as well as in faith, vocational and personal development, guided by the Holy Spirit;
2. to complete a psychological and career assessment for ministry administered by persons chosen by the Committee on Ministry, and to assume 1/3 the cost thereof;
3. to worship regularly according to the faith and order of the United Church of Christ, and to participate in the life and work of a local church, Association, and Conference;

1. Assist in providing annual financial support. After approval for MID status by the Committee on Ministry, financial aid is recommended when appropriate. The local church is also encouraged to defray the costs of travel for interviews, as well as to share 1/3 the cost of the mandatory psychological and career assessment.
