“Interim Ministry in a Changing Time”

with Rev. Don Remick
Associate Conference Minister
Massachusetts Conference UCC

The United Church of Christ has revised the Local Church Profile that churches complete when they are in pastoral transition. This profile makes a substantial shift in the way churches understand and engage the Search & Call Process for a new Settled Pastor. And as a result, it evolves the ministry with and through the church during times of transition.

Focus for the Day:

- Background principles and insights on church vitality and visioning;
- The continuity of ministry from settled to interim to settled based on a clear sense of vision: Identity, Mission and Purpose;
- The impact of the new UCC Local Church profile on transitional time.
